Revised 2009 SEED LIST

Attached is the RSBG 2009 offering of *Rhododendron* species seed. The non-wild collected seed offered on this list was produced in 2007 and 2008 at the Rhododendron Species Botanical Garden from verified true clones. We may have some species of seed collected in the wild from species native to the western USA. We welcome any suggestions for seed offerings in the future and send us your want list and we will try and pollinate the species you request.

- There are approximately 30 to 40 seeds per packet (for seed produced in 2008).
- Seed is \$5.00 per packet for members, \$7.50 for non-members.
- Orders will be allocated beginning on January 14, 2009
- An information sheet will be included with each order.
- Postage costs is \$2.00 per order in the USA, or more if postage is over \$2.00. Washington State residents must include sales tax for the total amount using their local sales tax rate.
- Postage costs will vary for international orders, if postage is over \$2.00.

INSTRUCTIONS

- List the quantity of packets desired for each selection in the space provided along the left side of the order form.
- **Return all pages of the seed order form by e-mail or regular mail to the RSF at the address above.** Members will be billed for their order unless they wish to pre-pay with Visa or MasterCard.
- **If prepaying by any other means than a credit card you must list substitutions as no refunds will be provided.**
- **Non-members must pre-pay with check, money order or credit card.**
