

# The Rhododendron Species

Botanical Garden  
(RSBG)

## Become Part of RSBG History...

The RSBG Engraved Commemorative Paver Program allows you to *make your mark* on Garden history by purchasing a paver stone engraved with your name, your family or organization's name, or some one you would like to honor at the NEW Rutherford Conservatory.

Each paver stone measures 9.5 X 6 inches and is earth-toned in color. Engraved paver stones *make great gifts* and are a wonderful way to support the Garden while creating a *legacy* for years to come.

All funds raised from the RSBG Engraved Commemorative Paver Program (minus the cost of the stones and engraving) go directly to support Garden operations and the conservation of *Rhododendron* species.

**Order your paver stone by August 18th, 2010 and have it engraved in time for the Rutherford Conservatory Grand Opening on September 25th!**

There are a limited number of paver stones available. Make your mark on Garden history! Donate to the RSBG Engraved Commemorative Paver Program today!

The Garden is managed by the Rhododendron Species Foundation, a non-profit, 501c3, educational organization dedicated to the conservation and research of *Rhododendron* species. *Paver stone donations are tax deductible, minus the cost of the stones and engraving.*

For more information, call 253-838-4646.
